Longhorns Make It 4 in A Row & Honors Former Coach Royal

By Derek Wiggins
Villager Sports

Coach Darrell Royal

The No. 19 Longhorns (8-2, 5-2) opened up the game with a trick play run from the wish-bone formation made famous by their former coach Darrell Royal, who died Wednesday. The Longhorns defeated the Iowa State Cyclones (5-5, 2-5) 33-7 on Saturday in Austin. The Longhorns have won four games in a row.

"Bless his heart. We miss him," said Texas coach Mack Brown, who was very close to Royal and said he "sat on the floor and cried" when he learned Royal had passed. Brown had announced Wednesday that his team would honor Royal by lining up in the wishbone for the first play. Texas's pitch-back reverse pass for 47 yards to open the game caught everyone by surprise. "Maybe we had a little intervention from

up above on that one," Brown said.

David Ash passed for 364 yards and two touchdowns and Texas as a team had a season high of 609 yards on offense and held the ball for nearly 40 minutes. Texas scored first and never looked back after Freshman Jonathan Gray's 5-yard touchdown run. Ash connected with Davis on a deep post route for a long touchdown making the score 14-0. Ash was 15-of-16 passing for 245 yards in the first half and his

3-yard scoring pass to tight end Barret Mathews made it 20-0. Iowa State responded with a long drive, ending with a 14-yard TD pass from Jantz to Quenton Bundrage with 41 seconds left in the first half.

In the second half Texas added to their lead on a 37-yard field goal by freshman Nick Jordan making the score 23-7 in the third, Jordan replaced Anthony Fera after a blocked field goal and missed extra point in the first half. Gray scored on a 13 yard run to push the lead to 30-7, Jordan kicked a late 25-yard field goal for the last score of the game making it 33-7.

Iowa State coach Paul Rhoads said, "I said going into the week that I thought Texas was a very hot football team," "They are." Up next for the Longhorns is TCU (3-4, 6-4) on Thursday, November 22 at 6:30pm CT here in Austin.

UT Men's Basketball Opens Season With a Win

By Derek Wiggins
Villager Sports

Texas Longhorn's Men Basketball narrowly get a win in their season-opening game last Friday night against Fresno State, 55-53. Texas is 88-19 in season-opening games, including a 13-2 mark under coach Rick

Barnes. The Longhorns debuted their 107th season of basketball on Friday.

UT is a very young team this year they started three freshman and two sophomores, which tied a school record for most freshmen starters in an opener. The Longhorns had at least two freshmen on the court at all times, and didn't play a single upperclassman. UT only have two upper class-men on the team and both are walk-on seniors.

The Longhorns were led offensively by Sophomores Sheldon McClellan and Jonathan Holmes. McClellan had 20 points and Holmes had 6 points and 8

offensive rebounds. Holmes finished with 14 total rebounds, which was a career high. Other freshmen that made their debut Friday night were Ioannis Papapetrous, Cameron Ridley, Demarcus Holland, Conner Lammert and Prince Ibeh.

The Longhorns made one 3-point field goal on Friday, extending its streak to 723 consecutive games with at least one 3-pointer. The last time Texas did not make a three-pointer in a game came on Dec. 18, 1990. The Longhorns next game will be on Monday vs Chaminade in the EA SPORTS Maui Invitational Championship Round at 8:30pm CT.

Humanity build homes for those in need, focusing on the care and well-being of children in foster care, informing the community of

good health care prevention and sending care packages to Haiti are some of the primary endeavors of the organiza-

tion. Links are appreciative of all the support it received for these ongoing programs.

Two West Nile Neuroinvasive Deaths Confirmed

The Austin/Travis County Health and Human Services Department (A/TCHHSD) has confirmed the deaths of two Travis County residents from West Nile Neuroinvasive Disease, a more serious form of West Nile Virus. The two people who died did match the CDC's profile for those at highest risk of severe illness—over 50 years of age with underlying health conditions. The deaths occurred on 10/31/2012 and 11/6/2012. Onset of illness occurred 9/21/2012 and 9/17/2012.

Until July of this year, Travis County had not had any reported cases of West Nile Virus

(WNV) in humans since 2008 with the last reported WNV fatalities in 2007. Since July, the A/TCHHSD Epidemiology and Health Statistics Unit has investigated 142 reported confirmed and probable cases of WNV. That number includes the most recently reported deaths. Thus far this year Travis County has con-

firmed 5 human deaths attributed to West Nile Virus.

Cooler weather has led to a significant decrease in mosquito activity in recent weeks. The last onset of human illness

was reported on October 10, 2012. Additional information on mosquito surveillance and prevention measures is available on our city of Austin website at: www.austintexas.gov/westnile.

AUSTIN AKAs feed homeless--On Sunday, October 22nd, members of the Beta Psi Omega Chapter and Beta Kappa Chapter of Kappa Alpha Sorority, Inc. partnered with Jedediah Baker Ministries to feed more than one hundred men and women on the streets in downtown Austin, Texas. This ministry meets every Sunday at the Austin Resources Center for the Homeless (ARCH) in Austin making a difference in lives of those in need.

LIGHTING UP THE HOLIDAYS.

It's time for the annual Tower Lighting Ceremony!

Now in its 7th year, we'll enjoy live music by local talent, delicious treats and activities for the entire family. Council Member Kathie Tovo will help us honor a holiday tradition dating back to the 1960s by turning on the NOEL lights.

When: Tuesday, November 27
Between 6 p.m. and 8 p.m.
(remarks and Tower lighting at 7 p.m.)

Where: Mueller Tower at Berkman Dive and Tom Miller Street
