

11/11 Honoring those who serve 24/7

With over 200,000 veterans and service men and women reentering the workforce each year, Bank of America is supporting the unique needs of our heroes as they transition to civilian life and careers.

Some steps we're taking to support veterans and military members:

- Offering free online resources through BetterMoneyHabits.com on topics specific to them, from home buying to retirement
- Expanding the number of financial centers near military installations to address the needs of military customers
- Continuing our hiring momentum — more than 15% of our new hires are military veterans

My teammates and I here in Austin are proud to support our military service men and women, especially as we celebrate Veterans Day. Thank you for your service.
