(AUSTIN, TX) – The Texas Workforce Commission (TWC) is issuing a reminder that individuals whose employment or self-employment was impacted by April and May's severe weather events have until July 16 to file for Disaster Unemployment Assistance (DUA). The Presidential Disaster Declaration includes Austin, Bell, Calhoun, Collin, Cooke, Coryell, Dallas, Denton, Eastland, Ellis, Falls, Guadalupe, Hardin, Harris, Henderson, Hockley, Jasper, Jones, Kaufman, Lamar, Leon, Liberty, Montague, Montgomery, Navarro, Newton, Polk, San Jacinto, Smith, Terrell, Trinity, Tyler, Van Zandt, Walker, and Waller counties. Workers and self-employed individuals in the designated counties who have been unable to work due to damage sustained from the severe weather may be eligible for DUA benefits. Individuals can apply for benefits online through Unemployment Benefit Services or by calling TWC at (800) 939-6631 between 7 a.m. and 6 p.m., Monday through Friday. Individuals should specify that their applications are related to the damage caused by severe weather. Applications for DUA benefits under this declaration must be submitted by July 16, 2024. because of an injury as a direct result of the disaster;

- Became the breadwinner or major support of a household because of the death of the head of household; or
- Were unable to reach their job or self-employment location because they must travel through the affected area and are prevented from doing so by the disaster.

To receive DUA benefits, all required documentation must be submitted within 21 days from the day the DUA application is filed. Required documentation includes Social Security number, and documentation to support that you were working or self-employed when the disaster occurred or were about to start work or self-employment and could not do so due to the disaster. TWC must have documents that prove you were working, or scheduled to start working, at the time of the disaster. If you do not send us proof of employment by the 21-day deadline, TWC will halt DUA payments and you will be responsible for repaying any benefits you received. In some cases, TWC can use information in our system, such as wage records, to prove you were employed at the time of the disaster. Submit your proof of employment using TWC's online UI Submission Portal for the fastest review. Select DUA Proof of Employment at Time of Disaster from the Type of Submission drop-down menu. If you cannot use the online portal, you can submit the proof by fax or mail. Texas Workforce Commission, Attn: DUA Proof, P.O. Box 149137, Austin, TX 78714-9137.

We are not yet what we shall be, but we are growing toward it. The process is not yet finished, but it is going on. This is not the end, but it is the road. Congressman Lloyd Doggett calls on Biden to withdraw from presidential race

Story by Matthew Choi THE TEXAS TRIBUNE

BIDEN DOGGETT

WASHINGTON — U.S. Rep. Lloyd Doggett, D-Austin, called on President Joe Biden to step down as his party's nominee for the White House on Tuesday citing the president's poor performance at a debate against former President Donald Trump last week.

"President Biden has continued to run substantially behind Democratic senators in key states and in most polls has trailed Donald Trump," Doggett said in a statement Tuesday. "I had hoped that the debate would provide some momentum to change that. It did not. Instead of reassuring voters, the President failed to effectively defend his many accomplishments and expose Trump's many lies."

Doggett, 77, is the first Democratic member of Congress to call for Biden to withdraw from the ticket since his debate.
