Flower Day Coming in June

(VILLAGER) - Perennial flowers, plants that return year-after-year, are both economical and low-maintenance. In selecting perennials for Central Texas, it is always best to choose plants that will tolerate our summer heat, native soils, and infrequent rains.

Join life-long plant enthusiast and Travis County Master Gardener, Reeve Hobbie, as he shares dozens of his favorite tried and true perennials that thrive here with minimal care in our climate and soils. The seminar, sponsored by Travis County Master Gardener Association, will be held on June 8, 2019, from 10 AM to 12 PM at the Austin Area Garden Center in Zilker Botanical Garden.

Reeve's collection of beautiful slides and plant descriptions will also highlight how perennials add color and texture to your landscape. You are bound to go home with some new plant ideas to try out.

No registration is required. Attendance to the seminars is free and open to the public. A park entrance fee is required.

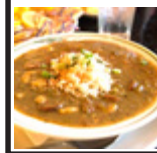

The Austin Area Garden Center in Zilker Botanical Garden is located at 2220 Barton Springs Rd., Austin 78746.

For more information, call Travis County Master Gardener Association at (512) 854-9600.

"This life, therefore, is not righteousness, but growth in righteousness; not health, but healing; not being, but becoming; not rest, but exercise. We are not yet what we shall be, but we are growing toward it. The process is not yet finished, but it is going on. This is not the end, but it is the road. All does not yet gleam in glory, but all is being purified." --- Martin Luther
