Black and Brown communities have been hit hardest during this pandemic.

I'll fight to make sure no Texas family is left behind.

I'M MJ HEGAR.

During my third tour in Afghanistan, I was shot, and we went down. After being rescued, I returned fire as we flew to safety. We fought like hell to get everyone home safe that day.

My mission isn't over. Texas families are still in danger. Texas is facing a public health crisis from the COVID-19 pandemic — and it's hitting Black and Brown communities the hardest.

In the Senate, I will:

- ★ Fight for solutions to help Black communities facing a public health crisis that's been made even worse by the coronavirus
- ★ Make sure no one has to wait until payday to see a doctor or get their medicine
- ★ Protect Medicare and Social Security for Texas seniors
