

Keep ACC Working!

Vote Yes! Yes! Yes!

Austin Community College plays a key role in creating brighter futures for everyone in our area.

To ensure that ACC keeps working for us, we must support Propositions 1, 2 and 3 in this election.

Together, the three propositions will:

- Hold down the cost of tuition
- Expand job training opportunities
- Modernize the 100-year-old Rio Grande campus
- Help low-income Austinites rise from poverty to prosperity
